

# Application for undergraduate summer internship at the Astrophysics Research Centre of Queen's University Belfast (2017)

Please return the completed form and the requested attachments to:

Dr Michele Bannister ([m.bannister@qub.ac.uk](mailto:m.bannister@qub.ac.uk)) by May 5.

Name: \_\_\_\_\_

University: \_\_\_\_\_

Degree course: \_\_\_\_\_

Current year of study: \_\_\_\_\_

Total length of degree course: \_\_\_\_\_

**Please attach a transcript of all your assessed marks to date.**

Please provide details of any constraints you may have on your availability during the summer (14 June to 17 September). Keep in mind any date restrictions noted for particular projects to which you may wish to apply. Allocation to a project will be dependent on finding a mutually suitable time frame with the project supervisor.

\_\_\_\_\_  
\_\_\_\_\_

Choice of project: please list up to three of the research projects being offered (see web page for list).

1<sup>st</sup> choice: \_\_\_\_\_

2<sup>nd</sup> choice: \_\_\_\_\_

3<sup>rd</sup> choice: \_\_\_\_\_

Your motivation: Please **attach up to 300 words** outlining your motivations in applying for a summer studentship and the reasons behind your choice of project(s).
